24 March 2022

To all members of the Review Group

Thank you for your letter of 11 March and the comprehensive summary of the huge efforts you have made, and outcomes you have achieved over the past decade and more. It is indeed a very significant milestone that the work of the Review Group is complete.

I wish to take some time to fully consider the content of your letter and respond more fully in due course.

I would be delighted to attend your final gathering and I have asked Claire Soper to be the point of contact between my private office and CELCIS to identify a suitable date.

There is no doubt in my mind we would not have achieved all that we have without your commitment, engagement and determination to seek justice for survivors.

I look forward to meeting you all again and thanking you in person.

Yours Sincerely,

**JOHN SWINNEY**
